

December Newsletter 2016

Activities to try at home

Snowflakes are fun to make at home. All you need is paper and scissors. Start by folding the paper a few times, not too many as it can get too thick for a preschooler to cut. Then have your child cut chunks of the paper out. Unfold and hang up. For extra fun use patterned or colored paper.

We have done so many fun things since the last newsletter. Our Trunk or Treat was quite a success with decent weather! Our visit from our firefighter friends was so much fun. The Thanksgiving Feast was delicious. Thanks to all of you that contributed to making it such a success!

Agnus Dei Lutheran Church would like to invite all of the Little Lambs families to the Christmas Eve service. There is a family service at 4:30pm, then two regular services at 7pm and 9:30pm.

Christmas break begins after the program on December 15th. We look forward to seeing all of our Little Lamb friends on January 3rd. We hope everyone has a lovely holiday full of peace and joy!

Blessings,

Shannon

Christmas Program

Our Little Lambs have been rehearsing for the Christmas Program already. They have been learning songs and are so excited to share what they have learned with you.

Wednesday, December 14th, the 4/5's will perform. The program is at 11:15am in the sanctuary. Drop off time is the same, but they will be dismissed right after the program to have refreshments in the Fellowship Hall with their families.

Thursday, December 15th, the Pre-K and 3's will perform with a guest appearance from the 2's. The program will start at 11:15. Drop off time is the same, but they will be dismissed right after the program to have refreshments in the Fellowship Hall with their families. This means that the Pre-K will not be here until 1pm that day.
