

December Newsletter 2018

Can you believe it's December already??? Not sure how that happened so fast! We had a wonderful November with your preschooler. We visited the Fire Station, had a delicious Thanksgiving Feast, and learned a lot about hibernation. It was a fun and busy month.

Activities to try at home

Snowflakes are fun to make at home. All you need is paper and scissors. Start by folding the paper a few times, not too many as it can get too thick for a preschooler to cut. Then have your child cut chunks of the paper out. Unfold and hang up. For extra fun use patterned or colored paper.

For the safety of everyone that uses the building here at Agnus Dei, please help us by encouraging your child to use their walking feet while they are in the building. We don't want anyone to get run into or hurt. Thanks for your help!

Blessings,

Christmas Program Information

Our Little Lambs have working hard rehearsing for the Christmas Program. They have been learning songs and are so excited to share what they have learned with you.

Tuesday, December 18th, the 3's will perform. The program is at 11:15am in the sanctuary. Drop off time is the same, but they will be dismissed right after the program to have refreshments in the Parish Hall with their families.

Wednesday, December 19th, the Pre-K, 4/5's and 2 1/2's will perform. The program will start at 11:15am. Drop off time is the same, but they will be dismissed right after the program to have refreshments in the Parish Hall with their families. This means that the Pre-K will not be here until 1pm that day.

If you have any Christmas Program questions, please don't hesitate to ask!

Upcoming Events

December 18th– 3's Christmas Program

December 19th– Pre-K 4/5's & 2 1/2's
Christmas Program

December 20th– January 1st– Christmas
Break

January 21st– No School, MLK Day

Cold Weather

The cold weather has finally arrived and with it a lot of nameless coats. Please put your child's name in their coat. Sometimes we have more than one friend with the same coat, sometimes our preschool friends aren't sure which coat is theirs. It really helps at recess time if their name is in their coat. Also, if they hang their coat up themselves, then they know where it is.

In case we should get any snow, our inclement weather policy is that if PSD #401 is late or closed we are closed. You can follow this on local news and radio stations. I also try to send out a Remind notice.

4/5's Parents

With Mondays being lunch day, we do not have snack. Our kiddos in the 4/5's are getting awfully hungry while waiting for lunch time to come around. I would like to encourage you to give them a little extra at breakfast on Mondays or maybe a snack on the way to school that morning. Thanks for your help with this.

A few things...

For the safety and security of the preschool, all exterior doors in the building are locked during our day. Please use the front door only for entering the building. This allows us to monitor who is entering the building.

Please have your preschooler use the bathroom and wash their hands before coming to the classroom in the morning.
