Activity to try at home

Materials:

Shoe box lid, something shallow with a lip

Cornmeal

Pour cornmeal into the lid and have your child practice writing letters using their finger. This can also be done with shaving cream while in the bathtub.

Conferences

On the March calendar you will see that we do not have classes on March 25th & 26th. On those days, we meet with parents of our 4/5's and Pre-K kiddos to discuss kindergarten readiness. We have already started accessing your kiddos. I will send out an electronic sign up list for conference time slots in the beginning of March. As these conferences are only for the 4/5's and Pre-K, if you have a child in any of our other classes and you have any concerns or things you would like to discuss, please feel free to contact me at any time.

It is that time of year again for a few reminders. Please have your preschooler use the restroom and wash their hands before heading to class. We have quite a few kiddos missing out on circle time for bathroom breaks.

As the weather gets warmer, we are so happy to have our preschoolers stay after class to play on the playground. We would like to ask that when outside, please help us by having your child put away any toys that they get out and by encouraging safe play on the equipment. For safety reasons, we ask that kiddos don't climb on the outside of the big toy and that we only go down the slide. Thanks for your help keeping our kids safe.

It's hard to believe that we are already a few months into 2019! We have had some terrific events in the beginning of the new year. Pancake and Pajama Day was a huge success. All the kiddos looked great in their jammies! In February, we finally got to celebrate Valentine's Day. We had so much fun talking about love and friendship! What a great year it's been so far! We are looking forward to many more great days with your kiddos!
