Activities to try at home

Materials:

Shoe box lid, something shallow with a lip

Cornmeal

Pour cornmeal into the lid and have your child practice writing letters using their finger.

This can also be done with shaving cream while in the bathtub.

Thank you for signing up for Remind. It is a great way to stay in touch. Also, I have begun sending out emails. If you haven't received one, please let me know.

September is flying by and we are very much enjoying getting to know all of your kiddos! They have definitely brightened things up around here:). We have lots of fun things coming up including the items below in the Upcoming Events box. Our first opportunities for volunteering is going to be coming up soon too.

Please remember to have your child use the bathroom and wash their hands before they come to class.

Now that the rain is here please send a coat or sweatshirt with your child. Please put their name in it. You'd be surprised how many kids don't know which coat is theirs.

Also, a reminder to please keep jewelry at home, not only is it a safety situation on the playground, but it can also be very distracting.

You can help Little Lambs Preschool earn donations just by shopping with your Fred Meyer Rewards Card. If you register your rewards card at www.fredmeyer.com/communityrewards. You can search for us by our non-profit number NPO#84590. Then every time you shop we earn a donation. You still earn your rewards points, fuel points, and rebates. Every little bit helps and we sure appreciate it!

As always if you have any comments, questions, or concerns, please let me know.

Blessings,
